The Nassau league is open to all lady members of Selkirk Golf & Country Club that have a handicap of 27 or lower and are at least 18 years of age. This is a competitive match play golf league that involves travel to other courses.

If you are interested in joining us, you have a maximum of two chances to qualify each week. Have your scorecard signed and dated by the pro shop before you go out to play. Return your attested scorecard to the pro shop and include your phone number and e-mail address. The six golfers with the lowest scores will qualify to represent Selkirk the following week. Our golfers will be split into 3 teams of 2, based on handicap. Our teams will play against 3 teams from the opposing course.

There is a light meal to follow at the home course and there are no dinner or golf fees for the golfers.

Those of us that play Nassau really enjoy it and we look forward to welcoming new teammates. Not sure about match play.... Contact me in you would be interested in joining the D team. D teams are formed to gain experience with match play but scores don't count!
